To whom it may concern:

The following letter is a request for a hardship grant due to financial difficulties. The typical cost for an evaluation is a \$300 deductible, a \$20 co-pay for the first hour and approximately \$12 per hour for each hour spent on the case. Typically, an ADHD evaluation is between 5 – 6 total hours and a learning disability or comprehensive combined evaluation is anywhere from 7 – 10 hours.

ADHD evaluation out-of-pocket estimate: \$380 – \$392

Neuropsychological + ADHD + Comprehensive Evaluation estimate: \$404-\$440.

These estimates are based upon the new deductible structure effective October 2014.

Sincerely,

---
